

IMPORTANT:

Next friday meeting is on SLACK at 15

Demo:

we are very effective

Really good, Lars likes it

New stories:

4411 change email

4530 Detection outside the parking area (demo for investor)

Simulation prototype is ok, core functionality demo

4211 Click on parking lot and park (smartphone simulation gps coordinate support)
more then 20km from parking ask to cancel.

System must show you are outside (notification)

4557 Car owner only : smartphone browser compatible for gps

Tasks:

4530 might prove biggest so be aware it might carry over

Tasks in redmine
